What is Build Up Tassie?

Are you at school and seeking a career in construction? Finished school and not sure how to piece together the next steps?

Build Up Tassie is a free work readiness program for anyone aged between 16-24 looking to enter the construction industry.

Part 1: Orientation

- A free 9 week Orientation Program (2 days per week)
- Industry awareness and exposure
- Building confidence, skills and knowledge
- Community Projects - strengthen and co-create community and individual wellbeing
- One on one support and coaching
- Licences and short courses
- Individual pathways to employment and/or further training

Part 2: Work Placement

- A free 8 week work placement program with opportunity to try up to 4-5 different trades
- Start with 3 days per week for 4 weeks
- Then 4 days per week for 4 weeks
- Continued access to one on one coaching support
- Leads to potential apprenticeships/traineeships and other employment outcomes
